## **For Our Patrons**

---

Under Wartime Prices and Trade Board Regulations we have been instructed to reduce the quantity and weight of paper used in our publications by 25 per cent.

To effect this economy, and to give our Patrons the same reliable information as in previous issues, we have run the Street Section in three columns instead of two, increased the depth of the type size of all pages, and used lighter weight paper than in previous issues.

Although this Directory does not contain the same number of Pages as the last issue, the information contained therein has in no way been impaired by these changes.

# How to Use the City Directory

The City Directory is really a co-operative catalog of the inhabitants, business interests, and institutions of the City. But the very mass of the information contained, until one learns how to use it, may appear to be an obstacle to those unfamiliar with its arrangement.

Public Libraries receive thousands of calls for information, many of which might be answered with a saving of time to all concerned by a simple reference to the Directory, if inquirers thought to look there first. The following list of typical questions can usually be answered by referring to the Directory. It is interesting, educational, and should help users to get more value from the City Directory.

(Typical Questions)

How does he spell his name?  
What is his correct postal address?  
Where does he live?  
How long has he lived there?  
Who are his neighbors?  
What does he do for a living?  
Where does he work?  
Who does he work for?  
How long has he held that job?  
Is he "head of the house" or boarder?  
How many adults in family?  
Does he own the business?  
Is he a member of any partnership?  
Who else is in the same profession?

# Introductory

---

The present volume constitutes the 1944 edition of Henderson's Directory of Moose Jaw. The work embodies a complete epitome of the civic, commercial, social and industrial interests and activities of the municipality. It is a modern Directory in all its parts and includes all the essential features which have been proven so satisfactory to our patrons in previous issues; these have been retained and amplified, and improvements have been added as suggested by experience in order to add to the value and usefulness of the Directory thus fully meeting the requirements of patrons; the approbation and continued patronage accorded the work are constant incentives to better service.

The publication has had the benefit and advantage of the complete organization and resources of the publishers, and of the skill and experience of their corps of enumerators and compilers added to the courteous co-operation of citizens, in the production of the volume.

To save paper it has been necessary to condense the information by changing the streets to three columns, and also increasing the number of names on the page of the alphabetical section. This has been done to comply with provision of Order No. 295 of the Wartime Prices & Trade Board.

## THE STREET AND AVENUE GUIDE

THE STREET AND AVENUE GUIDE starting on page 59 features the names of all streets and avenues arranged alphabetically and numerically, giving the location, number on the street and showing the occupant.

The intersecting streets are shown in the order that they come.

✱ Denotes that there is a Telephone in the house.

## THE ALPHABETICAL DIRECTORY

THE ALPHABETICAL LIST OF NAMES of citizens, business firms and corporations starts on page 89.

## THE CLASSIFIED BUSINESS DIRECTORY

THE CLASSIFIED DIRECTORY at the end of Book, exhibits the various manufacturing, mercantile, and professional names, compiled under headings appropriate to the class of industry or profession followed.

## MOOSE JAW POPULATION

The 1941 Dominion Census gave Moose Jaw a population of 20,753. The City estimated the population in March 1944 as 22,522.

## ADVERTISING MOOSE JAW

An important function of the Directory is to set forth the characteristics and advantages of the city as a place of residence, as a business location, as an industrial site, and as an educational centre. The Directory acts as a mirror, reflecting all that is noteworthy in the city in the above respects. In order to spread this information regarding the city broadcast over the country, the publishers have placed copies of this issue of the Directory in the directory libraries, where they are readily available for reference use by the public. There they serve as perpetual advertisements of Moose Jaw, for business men the country over realize that the City Directory represents the community as it really is.

The publishers take this opportunity of thanking the citizens for valuable assistance rendered in the way of furnishing information concerning themselves, their friends and their business interests for this Directory, and also the public-spirited and progressive business and professional men for support given in the way of patronage.

Respectfully, The Publishers

HENDERSON DIRECTORIES LIMITED.

# Directory Reference Library

## Henderson's Directories of Western Canada

—for the benefit of our Subscribers and  
the General Public—are to be found at all

**Public Libraries in the West**

---

## Directory Advertising Pays

BECAUSE IT REACHES MORE  
PEOPLE AT LESS EXPENSE  
THAN ANY OTHER MEDIUM

---

**Think It Over**

# **Your Delivery Service**

**Collections, Sales, Purchasing  
and every other department**

## **Needs a City Directory**

**to enable those responsible to  
give good service to your cus-  
tomers. Buy a city directory  
today. It can be used every  
day of the year**

---

**Henderson Directories Ltd.**

**More than  
ninety per cent. of  
all advertising mediums  
are discarded before  
they're a year old**

---

---

After the new ones come out  
your advertisement in the di-  
rectory is still good, for old  
directories are seldom dis-  
carded while they hold to-  
gether. Years later many of  
these directories will still be  
in active use. Your advertise-  
ment is still in service

**Do you want LONG-LIVED advertising?**
